

Our brand new MmT A-Board is unique to greenbarnes. Made from the very same material we use for our MmT notice boards, these A-Boards come with all of the same benefits, including the frame being maintenance-free with no risk of warping or degrading over time like wood.

Specifications

- Frame made from maintenance-free recycled plastic
- 3 standard sizes, A2, A1 or XL
- Option to have a made to measure board
- Chalkboard to both faces as standard
- Alternative panel materials in place of chalkboard
- Discounts for multiple unit orders
- Long life expectancy compared to wooden versions
- Frame will not warp or degrade
- Wood grain effect to frame with through colour

Fixings & Available Sizes

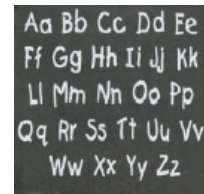

New!

Stainless steel piano hinge to top section of board, fixings hidden on inside of frame, no visible screw heads.

Our MmT material has a woodgrain effect and a through colour. A maintenance free material that will not degrade.

Chalkboard to both panels as standard, other panel options available on request.

Need a **bespoke size**, make use of our made to measure service.

Mix & match panels available to fit your requirements.

A2 MmT A-Board o/a size 510mm x 784mm	£182.93	A1 MmT A-Board o/a size 684mm x 1031mm	£213.16	XL MmT A-Board o/a size 775mm x 1310mm	£285.91
---------------------------------------	---------	--	---------	--	---------

All of the above prices are based upon a double sided chalkboard version, they exclude delivery & VAT. For quantity orders please contact us for a quotation.

Options & Variations

The A-Board can be adapted to hold other panel materials such as signwritten aluminium panels, graphic panels, white boards, self healing pinboards or even magnetic panels. There is also the option of mixing and matching, having a different panel to each side of the A-Board. For any variation on our A-Board please contact us for a no obligation quotation.
